

CHATEAU
DOLLARD

**CHATEAU
DOLLARD**

The image shows the exterior of a modern building with a light-colored, textured facade. In the foreground, there is a large, abstract fountain made of several tall, angular concrete pillars of varying heights, some with curved tops, situated within a rectangular concrete basin. The water in the basin is a clear blue. To the left, a tree with green leaves and a flowering bush with pink blossoms are visible. The building's entrance features large glass windows and doors. Above the entrance, the words "CHATEAU DOLLARD" are mounted in large, dark, three-dimensional block letters. A balcony with a glass railing is visible on the upper floor. The number "055" is partially visible on the wall to the left of the entrance.
